Kenna's repertoire of music spans across many genres, melodies and lyrics! Choose a vibe and she'll put together a setlist with your event in mind.

Want something a little more personal? For an additional fee we can work together to curate a personalized setlist that will perfectly complement the mood, brand and feel of your event. Whether we want people to hit the dance floor, grab the mic or simply enjoy good conversation and a cocktail — we can make that happen!
